LOCAL, MOBILE Paintless Dent Repair in Frederick, MD

Quick, Easy, Affordable, Mobile Repairs

Our mobile dent repair services come to you in Frederick, MD and surrounding areas, providing convenient, quick dent removal at a cost less than typical bodywork. We handle everything from minor ding repair and hail damage to larger dents and creases without the need for painting, saving you time and money!

[About Us](#)

100% Customer Satisfaction. Guaranteed.

As a trusted dent repair company in Frederick, MD since 2006, we strive to provide our customers with the quality workmanship and superior customer service that they deserve. We take pride in our reputation, which is why a significant portion of our business comes from loyal, repeat customers and referrals.

[Repair Services](#)

No Carfax Needed. Insurance Accepted.

Since our paintless dent repair service preserves your vehicle's original finish, making it purely cosmetic, BGS is not required to report the repair to CARFAX. However, if you decide to file an insurance claim, we happily accept insurance claims and work seamlessly with all insurance providers.

[FAQs](#)

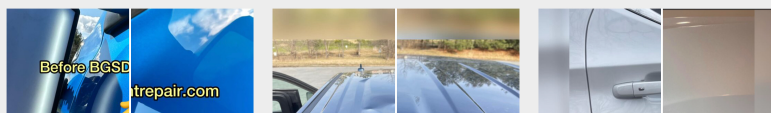

BGS provides prompt, professionally paintless dent repair services in Frederick, MD, and surrounding areas including Mt. Airy, Urbana, Hagerstown, Gaithersburg, Rockville, Silver Spring and Laurel. Our mobile dent repair is not only fast and easy but costs less than traditional bodywork.
